STRENGTHENING the **CHURCH AT HOME**

Support the Catholic Home Missions Appeal today! Nearly 40% of dioceses in the United States and its current and former territories are considered mission territories because they are unable to fund essential pastoral activities for their communities. Your support funds religious education, seminary formation, lay ministry training, and other programs that build vibrant faith communities right here in the United States. Please be generous. Find more information at www.usccb.org/home-missions.
